Scope of work / Reason for undertaking work

As no building permit is required, no renovation, addition, alteration, new construction or change of use is to occur to the structure, building or equipment servicing the building for which the electrical equipment or wiring is being provided. This is not to be considered as zoning approval.

Please note that, save a notice to the contrary by the Building Inspector, the use of fax is considered as an adequate means of communication, and specifically with respect to this application, shall be considered in writing for the purposes of By-Law Z-410.
